

Renewed Renewal

PROGRAM DIRECTOR
Surveys show her narrative grabs viewers.

HOST
It's the same one!

PROGRAM DIRECTOR
Booze and drugs.

HOST
Wasn't there a naked running through the streets? LA or Madrid or-?

PROGRAM DIRECTOR
In there somewhere. In her sixties now, so the image
hasn't the same kind of sexy continuity it had when...

HOST
I interviewed her years ago? We had some fun with it then.
But all turned suitably grave with her set speech about AA.

PROGRAM DIRECTOR
Second time through it was cocaine and the guru in Detroit.

HOST
There can't be such a thing!

PROGRAM DIRECTOR
We missed her that cycle. Anyway, believe it or not, we still have a hot
angle.

HOST
This time it's booze and pain killers together, and don't tell me, JESUS?

PROGRAM DIRECTOR
(sings) He came along from out of nowhere...

HOST
Do we have that many Republican viewers?

PROGRAM DIRECTOR
We will after this one.
